Hi Joe,

Please let me know any changes you would like to make. I'll plan to send out the reminder and agenda tomorrow around noon before I travel to Missoula for the rest of the week. Thanks!

Anaconda Smelter: EPA R8 Administrator follow up; Health Study; Institutional Controls; school interior sampling; community interviews

Other Sites: Idaho Pole public meeting; East Helena ArtPlace America Grant; Smurfit-Stone Mill PCB removal; BN Somers access issues; CFAC request for R8 Administrator visit
